

## Prayer

- Praise for the ongoing work at several centers in Romania.
- For your church or other churches to partner with a Romanian church plant for 5 years: to adopt a village in Romania, help us to plant a church in it and to send teams to evangelize, build and help develop the church.
- For the church in Romania to be transparent in all things, including accounting procedures.
- For transparent leadership at all levels.
- For additional co-workers. Many pastors are trying to do it all and are spread too thinly.
- For God's protection of pastors and missionaries from recent death threats.
- For more handicapped Day Care centers
- For the future education of the Houweling's children.
- For human and financial resources for our ministry.
- For God to help us finish two shelters for needy people in Timisoara, We are lacking funds in order to finish that.
- Wisdom to preach and minister effectively in the towns and villages of Romania.
