

ECM in Ireland

At present we work in three locations: Tramore and Waterford City in the South East, and Donegal in the North West.

In Tramore and Waterford City, 6 missionaries are currently working together to develop the work of the Tramore Bible Church, with two having particular responsibility for developing friendships and Bible study opportunities in Waterford, 6 miles from Tramore.

In Donegal, a missionary couple is developing relationships in the local community around Dunfanaghy and is heavily involved in short term teams, especially during the summer. For more details of the work in Donegal visit <http://www.donegal111.com>
